

## Parking Option 1: APU New Campus Covered Car Park

Parking Rate: RM 5.30 per day

The Entrance to the On-Campus Covered Parking is via the **WEST ENTRANCE** indicated below (P2).

- Payment for the Car Park will be deducted from your APU Student ID Card using the new APU cashless system,  which is being used at the new campus.
- The car park system will allow multiple entries for the same vehicle and driver into the car park during each day, with only a single charge being imposed.
- The barrier gate at the entrance (P2) will only open if there is sufficient balance in your APCard (i.e. at least RM5.30)
- Note that parking in the covered car park will be on a first-come first-served basis. Should the car park be full, students may park in the open air car park within the campus area.
- The car park is programmed with an **anti-passback control system**, which means that only cards which have been scanned at exit will be allowed to enter again. Each attempt to enter using a card that has already been scanned for entry (without exit) will result in a penalty being charged.
- Note that images will be captured of each vehicle and driver entering the car park, and should the same card be used for different vehicles and/or by different drivers to enter the car park within the same day, a penalty of RM100 will be imposed.
- Please ensure that you have sufficient balance in  your APU Student ID Card prior to Parking or making payments at any of the retail outlets on campus. Please proceed to the **Finance Counter located at Level 3, Spine** to activate your Student ID Card as an APCard, and to top-up your balance.
- Students are to ensure that vehicles are parked only in designated car park bays, and any noncompliance will result in vehicles being clamped, with a fee of RM50 being levied for removal of clamp.

- Students are advised to ensure that vehicles are locked and that no belongings are left in your vehicles.
- Please note that parking in the APU Covered Car Park will be at the vehicle owner's risk, and the University will not be responsible for loss or damage to vehicles parked within the campus grounds.
- Season Parking is presently not available at the APU Campus car park.

### **Parking Option 2: TPM Open Parking Nearby APU New Campus**

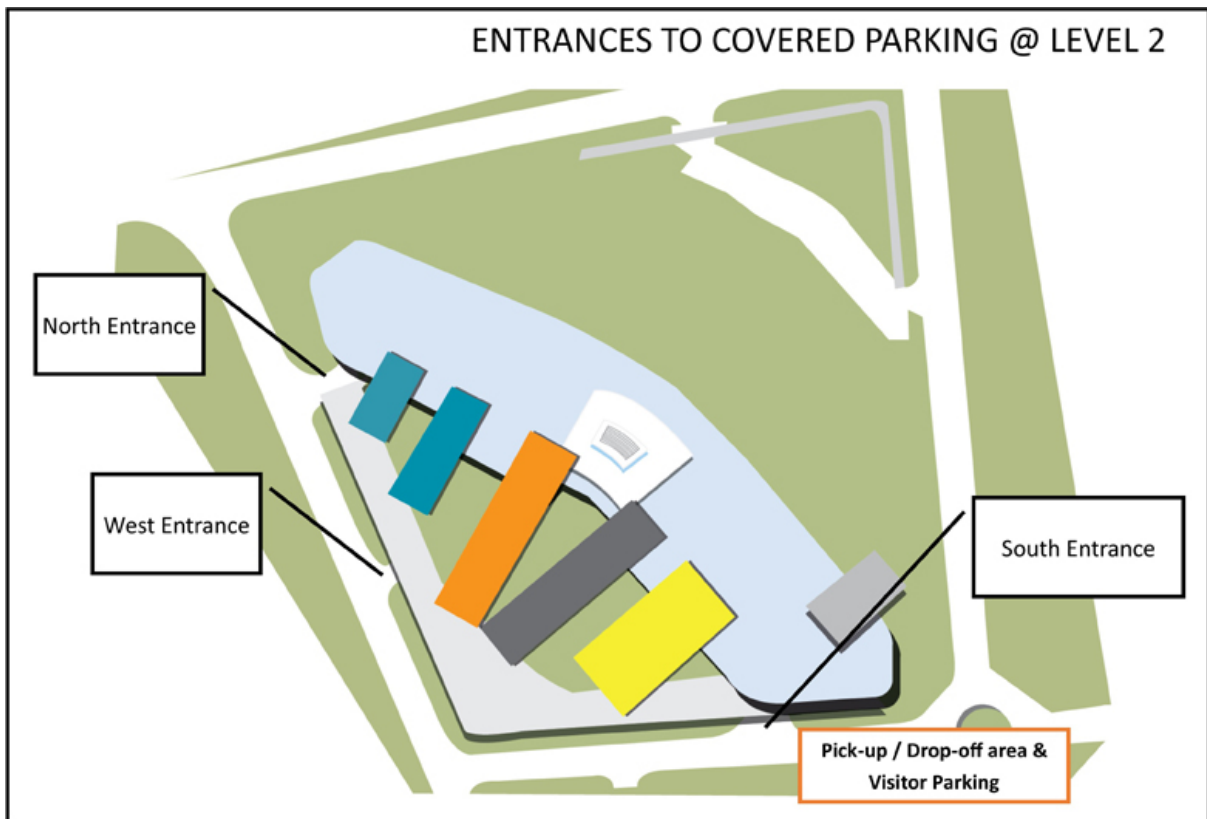

Parking Rate: RM 5.30 per day, or RM 63.60 (Season Parking)

- The Open Air Parking is managed by Technology Park Malaysia (TPM). If you would like to purchase Season Parking, please visit the TPM Parking Office located at Enterprise 4.
- Please refer to the diagram below for the location of the TPM Open Air Parking area.
- Application Forms for season parking are available at the APU New Campus Reception.
- The location of the TPM Open Air Car Park is shown below:

### **Motorcycle Parking**

Students may park their motorcycles for free in the Open Air Car Park within the APU New Campus Compound, by using the **NORTH ENTRANCE**, indicated below.

- Motorcycles should be parked in designated bays, and students should ensure that your motorcycles are secured/locked.
- Parking of motorcycles on campus will be at the owners' risk. The University will not be responsible for any loss or damage to motorcycles parked on the campus grounds.
